

Cosima series

Designed by kaschkasch, Germany

Invite the Cosima armchair, filled with comfort and character, into your living room. Related to the classic Bolia Cosima sofa series, the armchair features low armrests and backrests encouraging instant relaxation. Designed to meet your needs, the changeable covers extend the lifetime of the armchair, allowing you to change its look so it always matches your interior. Inside, the design is FSC™-certified and filled with a soft down and feather filling that is sewn into channels to extend durability and maintain its iconic, soft shape.

Meet the designer

Our goal is to create simple and intuitive products – something that isn't over-complicated, yet is still beautiful. We always strive to design no-frill products that still possess a poetic element. We find our inspiration in almost anything. Building sites, fish markets, people, their way of behaving and so on. It isn't just about the surroundings, it's also about the interaction. For us, good design is when it feels like it's never been any different. Something that makes sense when you look at it, or something that gives you an intense feeling of pleasure.
