

Cosh series

Designed by Kateryna Sokolova, Ukraine

With its refined, geometric lines and soft organic forms, the Cosh armchair makes an iconic addition to any room. Cosh is made of solid, sustainable wood and the chair is moulded to extend the design's lifetime. The armchair is designed in three different heights; from low lounge chair to comfortable armchair with integrated headrest. Whatever the variant, Cosh's playful yet stylish design makes it an eye-catching piece of furniture.

Meet the designer

My home country of Ukraine is an inspiration to my industrial designs; its ever-changing transformations inspire me. I always try to catch cultural differences and uniqueness of the countries that I visit. To me a great design is a mixture of three important ingredients: simplicity, functionality, and passion.
