

## Elton series

Designed by BOLIA Design Team, Denmark

---

The Elton series is characterised by the clean lines of its handcrafted, FSC™ certified oak frame, allowing every crafted detail to stand out. Designed to last for generations with all components replaceable. The tabletop comes in beautiful, veneered oak or with a luxurious inlay top in exquisite marbles or travertine.

### Meet the designer

We believe that good design is not only about what you see but also about how it is created and the emotions it stirs. Rooted in Scandinavian design traditions, a liberal view of human nature and respect for nature and people, we always stand by our core values – also in our designs. We love functional design, natural materials, beautiful rooms, craftsmanship, durability and substance. Design that is tailored specifically for you and made to last for years.
