

Elton series

Designed by Glismand & Rüdiger, Denmark

The Elton series is characterised by the clean lines of its handcrafted, FSC™ certified oak frame, allowing every crafted detail to stand out. Designed to last for generations with all components replaceable. The tabletop comes in beautiful, veneered oak or with a luxurious inlay top in exquisite marbles or travertine.

Meet the designer

Bolia was born in Denmark, and so was the renowned design duo Glismand & Rüdiger – an origin that serves as main source of inspiration in their approach to furniture design. When designing furniture, the design duo seeks inspiration from the vivid Scandinavian nature and materials while honouring the proud design tradition built on simplicity, elegance, craftsmanship and sustainable materials. “We share a passion for Scandinavian design and natural materials. Sustainability is the starting point for every new design we create. All the way from the first sketches to the final product, cause what we believe the most, is designing beautiful products that are built to last and survive trends.” For Glismand & Rüdiger Scandinavian design isn’t a label, it’s a commitment in their design-work. It’s something to be interpreted in contemporary and new ways, and something to be proudly honoured.
